AN MAESP FUNDRAISER FOR A GOOD CAUSE

The Missouri Association of Elementary School Principals (MAESP) along with their umbrella partner, the Missouri Association of School Administrators (MASA), moved their staff and office operations into a new building in Jefferson City in February, 2005. This new building is attractive and very functional and is a source of pride for all public school elementary principals and superintendents throughout the state of Missouri. As with many capital projects, however, the cost of the building and furnishings have created pressure on the annual operating budget for MAESP. The cost of the lot, building, and furnishings was approximately \$1.3 million. The current debt on the building for MAESP \$238,000; MASA has paid their share in full.

In an effort to reduce building debt, the MAESP Southwest Region is uniting to host a statewide fundraising golf tournament with proceeds going to MAESP to assist in the payment of debts incurred by the new office building. Your support and participation are needed and would be greatly appreciated.
